“The versatile NIRA vanity by 15WEST acts as both a laundry and utility vanity, providing generous workspace. The clean white finish and polished chrome hardware and faucet easily blend into any setting making it an instant easy upgrade. Our easy-to-clean design features an oversized 10-inch (25.4 cm) deep basin to help contain liquids. Crafted from commercial-grade stainless steel, this sink resists scratching, burning, and staining for years of beauty and reliable performance.”
